I aspire to be employed as a graphic designer in a creatively inspiring work environment.

EXPERIENCE

CURRENT

INTERN @ SCHWEITZER ENGINEERING LABS

Graphic design intern for Schweitzer. I do things like getting people coffee, designing logos for new products, and working on advertisements and flyers.

CURRENT

MANAGER @ STUDENT COMPUTING SERVICES

Manager of the Training and Outreach division at Student Computing Services, where I oversee and coordinate advertising strategies and organizational branding. I manage eight employees.

SUMMER 2008

GRAPHIC DESIGNER @ UNIVERSITY RECREATION

I designed advertisements for University Recreation while following focused branding strategies and identity guidelines.

SPRING 2008

WEB COORDINATOR @ STUDENT COMPUTING SERVICES.

I designed and maintained the front end of Cougar Manager, SCS's in-house employment management web application. I oversaw layout design and front-end web programming.

FALL 2007-SPRING 2008

GRAPHICS COORDINATOR @ STUDENT COMPUTING SERVICES.

I designed graphics with SCS for three years, creating promotional materials of all shapes and sizes, including sandwich-board signs, posters, mailout fliers, and much more. This included (but was not limited to) working extensively with WSU's Identity Guidelines.

SKILLS

PRINT & WEB

I am heavily experienced with Photoshop, Illustrator, and InDesign. I can also write clean and semantic XHTML and CSS. I am able to see any project to completion, all the way from conceptual design to final publication.

EDUCATION

FALL 2006-PRESENT

SENIOR AT WASHINGTON STATE UNIVERSITY

pursuing a BFA in Fine Arts and a minor in Computer Science.
